STATINTL

Dear Al:

STATINTL

In your letter of 23 August to [REDACTED] you suggest that we meet with you during the week of 3 October to observe the operation of the [REDACTED]

This is satisfactory to us. Inasmuch as I would like to attend myself, could we say Tuesday, 3 October?

We would be four or five in number and would undertake to give you the official reaction of the Agency shortly after our return to Washington.

Please let me know if the above is not satisfactory.

Sincerely,

Paul A. Borel
Assistant Director
